PRIMROSES FROM NEW HAMPSHIRE

Our Primroses are grown from carefully selected seed and divisions of our finest breeding stock. Due to their vigorous start in our rugged climate, we believe them to be especially hardy; and because all orders are shipped by SPECIAL HANDLING POSTPAID, gardeners are better able to receive fresh plants.

Mixed Primroses - 15 plants \$5.00

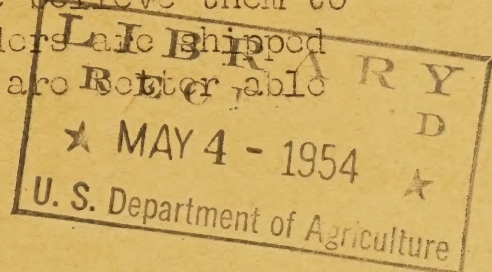

Selected colors and varieties below: 15 plants \$6.00

Polyantus and Acaulis- coppers, whites, yellows, fuchsias, pinks, reds.

Japonica (mixed only) pinks, whites, crimsons.

Juliana- pink, salmon, crimson, lavender.
